

THE THREE BROTHERS.

Introductory Notes.

This is a genealogical account of the Broome Fairheads. Although it cannot be guaranteed that all data in this composition is factual, it should be stated that the bulk of the material used was gathered by Mr A.E.Fairhead and is a true extract from Church Registers and other sources of from which the story is built.

It must be born in mind that many entries in the church registers are not necessarily correct, in fact some date entries vary when recording the same event and also during the early period the pen was the tool of the very few, some individuals did not even know their own age. The dates given throughout this account are, as far as can be ascertained, birth where the letter 'b' is used, or baptism where 'bap' is used and 'abt' means estimated dates where the real figures are unobtainable.

Doubtless a number of readers will fault some of the statements made and may be able to give a truer account of the happenings. This can be only part of the full story and any additions will be most welcome.

Since the death of Albert (in 1976) material has been gathered by the late Mr. G. T. Fairhead, myself and fellowship members in general and added to Albert's work to give a fuller and more informative story. This record is compiled from Albert's original book and the new information collected since that time. It should be noted that the generation numbers do not start at one, but carry on from a previous branch, in this case The Parish Clerk, which in turn carried on from the Suffolk Weavers. Where places are described as a 'District', this is the Registration District where the event was Registered. (I. D. No's. in Blue)

The Three Brothers.

It was in the dark days of 1760, and particularly so for Widow Thomison Fairhead, with her three infant boys, Samuel barely 7 months, John 1 year and 9 months and William 4 and a half years of age. She was only in her late twenties and had been married five years when misfortune struck with her husband William's death.

It was in the early, Empire building days when the Fairhead's were breaking out of their Empire at Bedingham where they had been since about the year 1550 when as Yeoman Farmers they invaded this village from Essex and North London.

Doubtless there was now insufficient land in this Parish for this growing family, so that one followed another to emigrate to the nearby villages. James went to Hedenham; Richard crossed the border to Denton, John moved to Mundham to bring about that farming family and William to Broome.

William ⁽⁴⁵⁷⁾ and Thomison (**Johnson**) ⁽⁴⁴⁾ were married at Woodton on the 10th February 1755 and moved to Broome to take over a farm of some 70 acres, where son William ⁽⁶⁵⁾ was born on the 28th March 1756, followed by John ⁽⁶⁶⁾ on the 5th January 1759 and Samuel ⁽¹⁰¹⁰⁾ in April 1760, the year of the move.

How William met his end is not recorded, but at this young age the most likely cause is by accident. Thomison was now faced with a fearful prospect. How was she to carry on with the running of the farm and the bringing up of this young family without her husband?

At this period a young woman left alone, with many an undesirable male casting a covetous eye, was alarming. The site of the farm was rather isolated; there was little habitation for almost half a mile, except for the farmhouse and a few cottages with a Brickyard across the fields. Earlier there had been a Hall, on the site of a much earlier Castle, which was surrounded by a village before the Black Death took its toll, but all that remained was the moat that used to be around the Castle, which is now no more than a pond.

The landmark of Saint Michael's Church was for all to see situated about a couple of hundred yards southeast of the farm. Today this monument still stands with its great perpendicular style steeple, seen for miles around suggesting that "men may come and men may go but I remain forever"; a few words adopted from the poem "The Brook". Today there is not a house within half a mile. This is the church where the Fairhead's were baptised buried over the centuries.

On the 12th April 1762, Thomison gave up the lonely struggle and married Stephen **Weeds**, a widower who had lost his wife a few months earlier. Whether this union was the result of love, convenience or fear we will never know. Weeds could have been employed on the farm, but in any event he had now entered into possession as Thomison's husband, and the three little boys had a Stepfather.

The Weeds children quickly increased the size of the family and before long there were a further four by the name of Weeds.

William, John and Samuel, the Fairhead boys, were now growing up. No education was afforded them, and possibly the young "Farrets" as they were known, had to work on the farm at the very early age of eight or ten years.

The inability to write brought many complications; they had temporarily lost the name of Fairhead and had no idea what the pen denotes. This was particularly distressing as the Fairhead family of Bedingham were among the few who had education in those days and the church register tells the story of William and Samuel (see The Parish Clerk) holding the office of Parish Clerk for over 100 years at one stretch and other member of this family holding the post for lesser periods. It would appear that almost every marriage at one period at Bedingham; a Fairhead would be sought to add his signature to the document as a witness.

We now have a Broome Fairhead family that was educationally minus with the result that these unfortunate defects were to retard the progress of a number of generations yet to follow. Lack of education together with other shortcomings it brings, tends to lower the social standing of the family and invariably when a union takes place, it is usually on this social level, and the offspring are brought up accordingly. This appears to have happened to some extent as a result of this bad start for the Three Brothers.

Farmers became farm labourers and as the story evolves one will note what effects these unfortunate circumstances had on generations to come. The brothers all left the Weed family at an early age, first John, then William and shortly after Samuel.

One can ask the question, where they denied the right to their fathers farm, and were they denied the right to some education which they would have had, had he lived. They might have been successful farmers, instead of labourers, had not misfortune struck.

These questions cannot be answered, but there must be some reason why this progressive family should have declined in this way. Rumour has it that the Fairhead's were "done out" of their farm and thus became poor. It is possible that the facts of this case could have been handed down to give seed to this rumour.

Like many families this family of Fairhead's is made up of varying types. Possibly about one third are unique, in as much as they possess certain Fairhead characteristics that are predominate and have been so through the centuries. It would appear that some members of this family display these physical characteristics even though there has been no relative connection over a great number of years. These distinctive marks reappear in spite of new blood being introduced by marriage and is transmitted to certain individuals in greater Strength than in others, in fact some do not appear to possess any at all, while on the other hand, others seem to have it completely.

The true Fairhead breed is not always found to be pleasing to many. They are often determined and ambitious and disliked by those who do not hold their views. Recently, I (Albert) have been told that they were "Pig headed", a rather contradictory term for a Fairhead.

Possibly the three sons were not of the real Fairhead genus, although their father may have been and as this story evolves one may conclude that at least some of their descendants were of this progressive type.

The 13th Generation.

William 1756 ⁽⁶⁵⁾ the eldest, was the second to leave the farm, and on the 15th September 1782 he married Sarah **Foulger** ⁽¹⁰¹¹⁾ (bap 10/6/1750, Broome) (Sarah was the daughter of William Foulger ⁽⁴⁶⁰⁸⁾ & Mary (nee **French**) ⁽⁴⁶⁰⁹⁾) at Broome, Norfolk. He went live at Sarah's home at Saint Andrews, Ilketshall. At Ilketshall they had the following family :-

Elizabeth ⁽¹⁰¹²⁾	b	18 th June 1786
Robert ⁽¹⁰¹³⁾	b	31 st May 1795
John ⁽¹⁰¹⁴⁾	b	27 th November 1796
Phoebe ⁽¹⁰¹⁵⁾	b	15 th June 1800
Maria ⁽¹⁰¹⁶⁾	b	14 th August 1803

These children, possibly due to their parents previously stated lack of education, were baptised with the surnames Farrett and Ferret.

Unfortunately, Sarah died. A replacement was on hand though, and on the 26th September 1806, William "Fairhead" (a Fairhead at last) married Elizabeth **Francis** ⁽¹⁰¹⁷⁾ (Widow) at Ilketshall. Neither party could sign their name. By this union the following family came along :-

Maria ⁽¹⁰¹⁸⁾	b	October 1806
Samuel ⁽¹⁰¹⁹⁾	b	July 1808
Charlotte ⁽¹⁰²⁰⁾	b	February 1810
Jonathan ⁽¹⁰²¹⁾]	b	31 st July 1812
Jemima ⁽¹⁰²²⁾] twins	b	31 st July 1812

These children had the surname of "Ferrett".

Again death struck the family, and Elizabeth died; unfortunately there is no record of the date, but William married again, this time to Mary **Clarke** ⁽¹⁰²³⁾ at Hales on the 11th October 1825, and this third wife outlived him and died aged 79 years at Ditchingham in 1858.

William was surnamed Farehead at this marriage. It would appear that Mary was about 46 years of age and William nearly 70, so there does appear to be any reason for searching for records of a third family.

John 1759 ⁽⁶⁶⁾ was the first brother to break away from the Weed family and he married Hannah **Thrower** ⁽¹⁰²⁴⁾ at Broome on the 20th November 1778. John was just 19 years old and his bride was a year younger.

It appears that he left the farm and went to work as an agricultural labourer. This leaving home to work as a labourer suggests that all was not well, and circumstances may have hastened his departure at this young age.

John settled in the Parish of Broome, where his first son was born. Their full family was :-

Hannah (Fairhead) ⁽¹⁰²⁵⁾	bap.	4 th June 1779
Sarah (Fairhead) ⁽¹⁰²⁶⁾	bap.	22 nd February 1781
Samuel (Farrett) ⁽¹⁰²⁷⁾	b	18 th February 1783
Susannah (Farrett) ⁽¹⁰²⁸⁾	b	27 th July 1785
James (Farrett) ⁽¹⁰²⁹⁾	b	3 rd March 1788

John was married under the name of "Farrett" but, Hannah and Sarah who were born at Hedenham, and baptised at St. Mary's Church, near the Fairhead home of Bedingham, had their names correctly entered in the register, although this was not the case with their successive children.

However, misfortune struck again and Hannah ⁽¹⁰²⁴⁾ died on the 15th March 1795 at the age of 35 years, leaving five motherless children in John's care.

It was John "Farhod" who on the 13th February 1797 married Sarah **Butcher** ⁽¹⁰³⁰⁾ at Broome. It is interesting to note that John's name was actually getting nearer to the correct Fairhead, but alas this improvement was not to continue. The new Fairhead family of John and Sarah was as follows :-

Robert ⁽¹⁰³¹⁾]	b	24 th December 1797
Elizabeth ⁽¹⁰³²⁾] twins	b	24 th December 1797
Maria ⁽¹⁰³³⁾		b	10 th February 1800
Phoebe ⁽¹⁰³⁴⁾		b	20 th December 1802
John ⁽¹⁰³⁵⁾		b	7 th October 1803
Lydia ⁽¹⁰³⁹⁾		b	23 rd February 1805
William ⁽¹⁰³⁶⁾		b	5 th November 1807
Ann ⁽¹⁰³⁷⁾		b	20 th November 1809
Harriet ⁽¹⁰³⁸⁾		b	18 th June 1811
Susan ⁽¹⁰⁴⁰⁾		b	1812
Harriet ⁽¹⁰⁴¹⁾		b	1815

No doubt the later Harriet replaced the earlier one that may have died. The Church register gives the surnames as follows :-

Robert	Farrit
Elizabeth	Farrit
Maria	Forret
Phoebe	Forret
John	Forrott
William	Forrott
Ann	Farrit
Harriet	Farrit
Lydia	Ferrit
Susan	Fairhead
Harriet	Fairhead

It now appears that John had a family of no less than sixteen children.

Samuel 1760 ⁽¹⁰¹⁰⁾ It appears that the remaining Samuel was also not happy to be left at Broome and joined William and Sarah at Ilketshall St. Andrews. The three had now left to become Agricultural Labourers, the position they were destined to hold all of their lives. The census returns support this.

It was on the 23rd May 1785 that Samuel (now Fairhead) married Arabella **Barber** ⁽¹⁰⁴²⁾ (afterwards known as Isabella) in the presence of William Fairhead. None of the parties could write.

By this marriage four children were born, they were :-

Jonathan ⁽¹⁰⁴³⁾	(Farrett)	b	4 th March 1786
Mary ⁽¹⁰⁴⁴⁾	(Fairwright)	b	15 th December 1791
Samuel ⁽¹⁰⁴⁵⁾	(Ferrit)	b	3 rd February 1793
John ⁽¹⁰⁴⁶⁾	(Ferret)	b	23 rd August 1795

Death again struck and Isabella "Ferritt" died at the young age of 39 years on the 30th September 1796. Again a Fairhead sought another wife, and at that time a William "Ferehead", a cousin of Samuel lived in Rockland St. Mary in Norfolk where from time to time Samuel would visit, and it would appear that as a result of these visits a Mary Kirby, one of the large family of Edward and Elizabeth Kirby, moved to Ilketshall as a possible housekeeper to Samuel and his family.

However, Samuel "Farit", widower, married Mary **Kirby** ⁽¹⁰⁴⁷⁾, spinster, on the 25th September 1797. Mary, like Samuel, could not sign her name. The following family resulted :-

Charlotte ⁽¹⁰⁴⁸⁾		b	1798 baptised 1801
Elizabeth Hannah ⁽¹⁰⁴⁹⁾		b	March 1802
James ⁽¹⁰⁵⁰⁾		b	1802
Robert ⁽¹⁰⁵¹⁾		b	1804
Sophia ⁽¹⁰⁵²⁾		b	27 th August 1807, bap. 6 th December 1807
Emily ⁽³²¹⁵⁾		b	1816, bap. 10 th May 1818

Sophia was baptised at Earsham, and Emily at Broome. James and Robert were not to be found in any of the church registers and it is possible that their births were not recorded. The information regarding them has been taken from lesser records such as census and church records at the time of marriage.

Samuel moved to Earsham, then to Ditchingham and finally to Ellingham.

As the records of the three brothers are concluded, given below is a summary :-

William 1756 (65) & Sarah (Foulger) (1011)	Elizabeth	1786 (1012)
	Robert	1795 (1013)

	Emily	1816 (3215)

The brothers each lived to a great age, particularly for that period, a combined total of no less than 259 years, a possible record for those difficult times. William would have completed a century had he survived about another 7 years, which could have been possible had he not been accidentally drowned, John, who lived in a cottage opposite Ivy Farm, Broome died in Bungay at the age of 88 years, and Samuel at Ellingham aged 78 years. Records give their occupations as agricultural labourers' right up to the end.

The 14th Generation.

Elizabeth 1786 (1012) No record.

Robert 1795 (1013) No record.

John 1796 (1014) was probably the first to follow his grandfather as a farmer, married Hannah ? (1053), and they had two children :-

James <small>(1054)</small>	b	22 nd September 1822
Susan <small>(1055)</small>	b	21 st June 1823

Again a Fairhead's first wife died, in this case possibly as a result of the birth of Susan. It was unfortunate in those days that mothers often died in childbirth.

John's second wife was Maria **Lorraine** (1056) whom he married at Ditchingham in the same year that Susan was born. There are no further known records as to what happened to John and Maria, but possibly, given time something will turn up.

(note given in Albert's book)

"In the 1841 census, a Maria Fairhead is mentioned living at Broad Street, Bungay, of independent means. She could have been the second Mrs. John Fairhead, and if so her age was incorrectly given or she was married very young, or it might have been Maria 1806 of William and Elizabeth. If this is the case how did she obtain 'independent means'?"

I now believe this not to be the case as at the time of the 1851 Census John and Maria were stated to be living at 13 Trafalgar St. Row No. 13, Norwich, (The Rows are an area of Norwich) with a nephew called Robert **Swash** aged 19 also stated to be a Gardener.

Phoebe 1800 (1015) No record.

Maria 1803 (1016) died on the 1st August 1804.

Maria 1806 (1018) No record.

Samuel 1808 (1019) married Lucy Ann **Sadd** (1057) (b. abt. 1815) at Ditchingham on the 30th October 1838. Lucy was a servant girl employed at Ditchingham House, which was to become the home of the late Sir Rider Haggard, the novelist. Samuel became a foreman on the farm attached to the house and later a Groom.

He remained in this occupation for the rest of his working life, followed by his son, Samuel. Reference to this can be found in Miss Lillias Rider Haggard's book "Norfolk Life". The following were their family :-

Emma <small>(1058)</small>	b	11 th August 1839
Samuel <small>(1059)</small>	b	26 th December 1841
Joanna Matilda <small>(4882)</small>	b	1841
Jonathan <small>(1060)</small>]	b	7 th September 1844
Sarah <small>(1061)</small>] twins	b	7 th September 1844
Fanny <small>(1062)</small>	b	26 th July 1846
Marjorie <small>(1063)</small>	b	29 th October 1848
Arthur <small>(1065)</small>	b	25 th November 1855
Lucy Ann <small>(1066)</small>	b	13 th June 1857

At the time of the 1851 Census Samuel must have been away, as he was not recorded, also living with them was Lucy's Mother-in-Law Mary, aged 77 and stated to be a Widow and a Pauper. Samuel died at Ditchingham at the age of 85 years and Lucy Ann at 69 years, in 1884.

Charlotte 1810 (1020) died in 1810.

Jonathan 1812 ⁽¹⁰²¹⁾ died in 1812.

Jemima 1812 ⁽¹⁰²²⁾ No record.

Hannah 1779 ⁽¹⁰²⁵⁾ No record.

Sarah 1781 ⁽¹⁰²⁶⁾ married Samuel **Youngs** ⁽¹⁰⁶⁷⁾ on the 6th December 1802. Witnesses were Robert Tibbenam & Robert Foulger.

Samuel 1783 ⁽¹⁰²⁷⁾ married ¹¹and lived in Ditchingham, but unfortunately he came into the world at the same time as two other Samuels at Bedingham, and as both Broome and Bedingham Fairhead's were invading Ditchingham at that time the matter of identification creates a problem, so much so that this question must remain in abeyance.

Susannah 1785 ⁽¹⁰²⁸⁾ married George **Calver** ⁽¹⁰⁶⁸⁾ in 1807, and they had three children :-

Mary (Calver) ⁽³³⁵⁶⁾
 George (Calver) ⁽³³⁵⁷⁾
 Samuel (Calver) ⁽¹⁰⁷³⁾

James 1788 ⁽¹⁰²⁹⁾ became another farmer and married Elizabeth ? ⁽¹⁰⁶⁹⁾ He farmed at St. James's, South Elmham in Suffolk, not far from his uncle William's home at Ilketshall. Their family consisted of :-

William ⁽¹⁰⁷⁰⁾	b	1810
Mary ⁽¹⁰⁷¹⁾	b	1812
Sophia ⁽¹⁰⁷²⁾	b	1814

James died on the 31st March 1865; a memorial stone in St. James's Churchyard, South Elmham, marks the grave, and near by is a stone in memorial to their grand-daughter, Mary, who became Mrs. Read of Hempnall.

Some of the most beautiful handwriting sets out the terms of his Will in which he appointed his nephew Samuel Calver as his sole executor. Samuel ⁽¹⁰⁷³⁾ was the son of his sister, Susannah, who became Mrs. George **Calver**. He was also a farmer.

By this time the name "Farret" had completely disappeared. James signed the Will as 'James Fairhead'.

Robert 1797 ⁽¹⁰³¹⁾ married Mary **Watson** ⁽¹⁰⁷⁴⁾ and they had one son :-

John Watson ⁽¹⁰⁷⁵⁾ bap. 15th July 1828 at Broome.

Elizabeth 1797 ⁽¹⁰³²⁾ No record.

Maria 1800 ⁽¹⁰³³⁾ married Robert **Ellis** ⁽¹⁰⁷⁶⁾ on the 30th October 1830.

Phoebe 1802 ⁽¹⁰³⁴⁾ No record.

John 1803 ⁽¹⁰³⁵⁾ married Sarah ? ⁽⁶³⁸⁶⁾ , but does not appear to have added much to the genealogical story of the family, as records are absent here apart from his death in 1859. He probably spent his life outside the locality.

Lydia 1805 ⁽¹⁰³⁹⁾ No record.

William 1807 ⁽¹⁰³⁶⁾ married Harriet **Walters** ⁽¹⁰⁷⁷⁾ of Barnby near Lowestoft at the Holy Trinity Church, Bungay on the 18th November 1836. They lived at Broome not far from where the school now stands. There was no school in those days and

no education for the poorer people. The school was built in 1784-5 from funds raised from public subscription. There was about an acre of land attached to the cottage, which William worked, no doubt to earn an extra shilling in those hard days. He also occupied a meadow near the railway and could be regarded as a smallholder. They had the following family :-

James ⁽¹⁰⁷⁸⁾	b	12 th August 1837	bap. 3 rd September 1837
William ⁽¹⁰⁷⁹⁾	b	16 th May 1842	at Bungay
Elizabeth ⁽¹⁰⁸⁰⁾	b	28 th February 1843	
Sarah Ann ⁽¹⁰⁸¹⁾	b	26 th October 1844	
Robert ⁽¹⁰⁸²⁾	b	2 nd September 1846	
Henry ⁽¹⁰⁸³⁾	b	2 nd February 1848	
Eliza ⁽¹⁰⁸⁴⁾	b	4 th February 1849	
Samuel ⁽¹⁰⁸⁵⁾	b	17 th November 1851	
Susan ⁽¹⁰⁸⁶⁾	b	1854	

At the time of the 1851 Census they were stated to be living at Loddon, and that William and sons James and William were Ag Lab's. Robert and Henry had both died before this time. William 1807 ⁽¹⁰³⁶⁾ died in 1878 in the Norwich District, Norfolk.

Ann 1809 ⁽¹⁰³⁷⁾ married Christopher **Spalding**. ⁽¹⁰⁸⁷⁾

Harriet 1811 ⁽¹⁰³⁸⁾ No record.

Susan 1812 ⁽¹⁰⁴⁰⁾ No record.

Harriet 1815 ⁽¹⁰⁴¹⁾ No record.

Jonathan 1786 ⁽¹⁰⁴³⁾ who like his cousins, John 1796 and James 1788, became a farmer. He married Elizabeth **Yewell** at Rushall, Norfolk on the 11th October 1808. At this marriage his name was given as "Ferriatt" as ⁽¹⁰⁸⁸⁾ was that of his first son Samuel, also born at Rushall. He moved to Rumburgh and there he occupied Blooms Hall, where the following children were brought up :-

Samuel ⁽¹⁰⁸⁹⁾	b	15 th April 1810	at Rushall
James ⁽¹⁰⁹⁰⁾	b	2 nd April 1816	at Rushall
Charlotte ⁽¹⁰⁹¹⁾	b	1825	
Susan ⁽¹⁰⁹²⁾			
John ⁽¹⁰⁹³⁾			

Mary 1791 ⁽¹⁰⁴⁴⁾ No record.

Samuel 1793 ⁽¹⁰⁴⁵⁾ No record.

John 1795 ⁽¹⁰⁴⁶⁾ No record.

Charlotte 1798 ⁽¹⁰⁴⁸⁾ No record.

Elizabeth Hannah 1802 ⁽¹⁰⁴⁹⁾ No record.

James 1802 ⁽¹⁰⁵⁰⁾ married Charlotte **Love** ⁽¹⁰⁹⁴⁾ of Ditchingham on the 10th April 1831 at Ellingham, Norfolk. He was an agricultural labourer, later to become a groom/gardener. The children from this union were :-

John ⁽¹⁰⁹⁵⁾	b	14 th May 1831
Hannah ⁽¹⁰⁹⁶⁾	b	7 th August 1834

Emma 1839 ⁽¹⁰⁵⁸⁾ married George **Green** ⁽¹¹¹²⁾ on the 23rd December 1864.

Samuel 1841 ⁽¹⁰⁵⁹⁾ followed his father as a manservant at Ditchingham House, the home of the late Sir H. Rider Haggard, where it appears he remained to the end of his working life. On the 22nd November 1866 he married Amelia **Osbourne**, ⁽¹¹¹³⁾ their ages were given as 25 and 22 years respectively. Their family was as follows :-

Samuel ⁽¹¹¹⁴⁾	b	16 th February 1868
Elizabeth Ann ⁽¹¹¹⁵⁾]	b	30 th July 1875
Amelia ⁽¹¹¹⁶⁾] twins	b	30 th July 1875
Benjamin ⁽¹¹¹⁷⁾	b	18 th September 1881

Alfred Edward (1118)	b	4 th May 1883
Arthur (1119)	b	1884

Samuel (1059) died in 1922 in the Loddon and Clavering District, Norfolk.

Joanna Matilda 1841 (4882) married James **Catchpole** (4883) (son of Richard (4951)) on the 30th July 1871 at St. Nicholas, Great Yarmouth. Joanna died in 1907.

Jonathan 1844 (1060) one of twins, probably died young, as any further entries could not be traced.

Sarah 1844 (1061) Also a twin, no record.

Fanny 1846 (1062) married James **Ellis** (1120) on the 27th April 1869.

Marjorie 1848 (1063) married John **Culley** (1121) on the 2nd June 1868.

Arthur 1855 (1065) died in 1855 in the Loddon & Clavering District, Norfolk.

Lucy Ann 1857 (1066) No record.

William 1810 (1070) followed his father, James (1029) as a farmer; in fact he was a farmer before his father died. He is known to have had a daughter :-

Mary (1123)

The first record Albert had of him was in respect of Mary, his daughter's, marriage at Hempnall on the 4th May 1860 to Mr. Samuel **Read** (1179) of Hempnall.

However, this union was not of length as Mary died on the 20th May 1875 and is buried near her grandfather (66) and grandmother (1024) at St. James's, South Elmham. It appears that William was disinherited, as by his father's Will his two sisters were the sole beneficiaries. There is nothing known of any other children.

Mary 1812 (1071) No record.

Sophia 1814 (1072) married John **Shepherd** (1124) on the 7th November 1842 at St. Martin in the Fields, Westminster, London.

John Watson 1828 (1075) No record.

James 1837 (1078) worked on the Hollow Bath Farm, Ditchingham, and from there he went on to become a Gardener. In about 1878 he married Elizabeth ? (1125) and they had the following family :-

James William (1128)	b abt	1876
Alfred Edward (1126)	b	1879 bap. 7 th January 1880
Frederick George (1127)	bap.	15 th January 1882
William James (5636)	b	1885
Harriet (1129)		
Elizabeth (1130)		

James and Elizabeth also ran a small general shop at Yarmouth Road, Broome, until James died at the age of 54 in 1891 when the shop was taken over by the third son, William James, with his wife Kate.

William 1842 ⁽¹⁰⁷⁹⁾ married Mary Ann **Sheldrake** ⁽¹¹³¹⁾ (b.27.5.1845) at St. Stephens, Kensington on the 2nd February 1867. She was possibly in the employ of a Norfolk family who had a city residence. William was a Carman at the same establishment. Mary Ann was the daughter of Samuel ⁽¹¹³²⁾ & Susannah Sheldrake ⁽¹¹³³⁾.

The marriage brought this employment to an end and they made their way back to Norfolk, where William took up work on the Thwaite Hall Farm. He remained there in employment for a large part of his working life.

Mary Ann was one of the five children of Samuel and Susannah Sheldrick of Howe, Norfolk. Although Samuel, her father, was only a farm worker Mary was given education and was taught dressmaking. She was a very remarkable woman and changed the pattern and custom in the way some of the Fairhead's behaved over the years to come. She, unlike many Fairhead's, had this education and was a very dominant figure in the home, which was something to which the Fairhead's were not accustomed, as it was usually the man that was the dominant figure. William and Mary Ann raised a family of no less than eight boys and one girl, a record number of males to reach maturity, they were as follows :-

Herbert George ⁽¹¹³⁴⁾	b	8 th November 1867
Arthur William ⁽¹¹³⁵⁾	b	10 th May 1870
Gilbert Harry ⁽¹¹³⁶⁾]	b	12 th July 1872
Ernest Edward ⁽¹¹³⁷⁾] twins	b	12 th July 1872
Alfred Samuel ⁽¹¹³⁸⁾	b	11 th December 1874
Maude Mary ⁽¹¹³⁹⁾	b	11 th September 1877
Sheridan Selby ⁽¹¹⁴⁰⁾	b	23 rd February 1880
Clement Charles ⁽¹¹⁴¹⁾	b	11 th April 1883
Ralph Sidney Last ⁽¹¹⁴²⁾	b	1886

It was Mary and not William who broke all traditions in naming this great family, no John's, James's, Samuel's or Richard's, but new names to the Fairhead family, and not just one, which was the custom, but at least two, and note the last born Ralph, he was christened 'Last' which was in keeping with her character. Through her, the family was injected with a quality to be found in a number of her descendants.

Six of the sons served in the Army in the 1914-18 war and a visitor to the home would be shown by that proud mother a framed letter from the King congratulating William and Mary upon their sons giving this service in time of need. This mother was very conversant on military matters, doubtless acquired from her six sons.

They returned from the war (all but one, the youngest, Ralph, who was killed in France on the 6th May 1915) and made some headway in occupations mostly connected with the soil, farmers, small holders and the like. There is one rather unusual story of matrimony where three of the brothers married three sisters resulting in the families being almost 'blood brothers'.

William lived to the age of 84 years, while Mary survived him to reach the age of 93 years. They were buried in Hedenham churchyard and a memorial stone marks their grave.

Elizabeth 1843 ⁽¹⁰⁸⁰⁾ the only thing known about Elizabeth is that she must have died in some unfortunate way as a Coroner's Warrant was issued.

Sarah Ann 1844 ⁽¹⁰⁸¹⁾ No record.

Robert 1844 ⁽¹⁰⁸²⁾ died shortly after birth.

Henry 1848 ⁽¹⁰⁸³⁾ also died shortly after birth.

Eliza 1849 ⁽¹⁰⁸⁴⁾ died at three years of age.

Samuel 1851 ⁽¹⁰⁸⁵⁾ apparently did not enjoy the same good health as his brother William, and he died at the comparatively young age of 45 years. There does not appear to be any record of a marriage. He lived at Bradwell Lane, Bungay and at the time of his death was a Cow keeper.

Susan 1854 ⁽¹⁰⁸⁶⁾ only lived to the age twenty-nine.

Samuel 1810 ⁽¹⁰⁸⁹⁾ took over the Priory Farm at Rushall, Norfolk where he farmed until his death at the age of 75 years on the 13th November 1885. After Samuel's death the farm was carried on for a number of years by his widow ⁽¹¹⁴³⁾.

James 1816 ⁽¹⁰⁹⁰⁾ married Elizabeth **Fisher** ⁽¹¹⁴⁴⁾, a farmer's daughter, at the Chapel, Halesworth on the 18th April 1844. James himself was described as a farmer, as was his father Jonathan. Apparently James could not sign his name as the certificate denotes 'His Mark X', but Charlotte and John, his sister and brother, seemed to be better equipped educationally. It appears that James and Elizabeth's firstborn was Charlotte who was born at Rumburgh, the home of grandfather Jonathan. The next two, Sarah Anna and Anna Maria, was born at Rishangles, but after this birth the family immigrated, to Australia, a son was born to them on the voyage and it is assumed that he died. In Australia James, Samuel, Elizabeth Mary and John Bertsell were born at a place called Castlereagh. It would seem that Australia was not for them and they returned to Weston, Suffolk where Joseph and a second Elizabeth Mary (the first one having died on the 19th August 1855) were born. The stay at Weston was not permanent and in about 1860 they returned to Rumburgh, possibly to take over the Abbey Farm which was occupied by James's father, Jonathan who, if still alive would have been aged about 75 years. Their family was :-

Charlotte ⁽¹¹⁴⁵⁾	b	22 nd July 1845	bap. 18 th April 1847	
Sarah Anna ⁽¹¹⁴⁷⁾			bap. 18 th April 1847	
			at Rishangles,	Suffolk
Anna Maria ⁽¹¹⁴⁶⁾	b	19 th March 1847		
Male child (on board ship to Australia) ⁽¹¹⁵⁶⁾		abt 1848		
James ⁽¹¹⁴⁸⁾	b	20 th December 1849		
Samuel S. ⁽¹¹⁴⁹⁾	b	6 th November 1851		
Elizabeth Mary ⁽³⁵⁹⁶⁾	b	12 th June 1854		
John Bertsell ⁽¹¹⁵⁰⁾	b	11 th April 1856		
Joseph ⁽¹¹⁵¹⁾	b	23 rd February 1859	at Halesworth, Suffolk	
Elizabeth Mary ⁽¹¹⁵²⁾	b	15 th December 1859	at Halesworth, Suffolk	
Garrold Oldrin ⁽¹¹⁵³⁾	b	9 th September 1861	at Halesworth, Suffolk	
Albert Frederick ⁽¹¹⁵⁴⁾	b	1 st April 1863		
Emma Jeanette ⁽¹¹⁵⁵⁾	b	13 th November 1865		
Naomi Hannah ⁽¹¹⁵⁷⁾	b	17 th August 1867	at Wrentham, Suffolk	

As the first two children were baptised on the same day, just after the birth of the third, it is possible that she was also baptised at the same time, before their trip to Australia.

The farm at Rumburgh consisted of about 170 acres, but it appears that this did not totally satisfy the migratory desire of this family, and James the eldest son visited the Dominion of Canada in 1872, from where he brought back such good reports of this country that the decision was taken to emigrate.

The farm was sold, the implements and household effects were auctioned and all preparations were made for this exciting new venture when fate struck again, and James (1815) fell from a wagon, causing a fatal blow to the head by the iron rim of one of the front wheels. He was laid to rest in the churchyard at Rumburgh, Suffolk. A migratory shrub has now invaded the site of the grave, cutting out vision and sunshine and apparently causing a lean to the memorial stone. An unusual church dominates the scene, doubtless with a long and valued history that holds more interest than the structure has seen today.

Elizabeth had little choice, having sold the farm and effects, but to continue on with the journey. Acting upon advice, James and Elizabeth had, had several small homes built in Canada to provide the family with rental income, but this turned out to be a disappointment as after the Civil War there was a depression and people just did not have the money to pay the rents. For the next five years or so, work on farms, etc. was a necessity and finally the brothers Samuel, John, Joseph and Garrold set out, walking some 90 miles, to take up their homesteads, crossing the U.S.A. border. It is a long story as to how they settled, building their homes and becoming ranchers. It was a very hard start in those difficult days. Albert quoted a letter he had received in his original book and it is reproduced below, it is from one of the descendants of the family.

" The last Saturday of April we had our Branding. Since I was born and brought up in the farming country of Minnesota I always think the Branding time is kind of exciting. It seems to be one of the remaining truly western things we do. I like to see so many horses and riders together. All the women and children came for the day too, so there are about 40 or 50 people for dinner. Then another day we all help out one of our neighbours, who helped us. We also have a summer pasture, which is 30 miles from our home place. Last week we drove 400 cows and calves to this range. It takes two full days, so our girls stayed out of school to help".

One of the Fairhead's says that he would come again to the Sand hills if he had his life to live over. He has earned security, and beyond it knows the joy of his own achievements. The descendants of this family are now scattered over Canada and the U.S.A., owning ranches, which bear their name and other business's in Toronto and elsewhere.

Charlotte 1825 ⁽¹⁰⁹¹⁾ No record.

Susan ⁽¹⁰⁹²⁾ No record.

John ⁽¹⁰⁹³⁾ No record.

John 1831 ⁽¹⁰⁹⁵⁾ married Susan **Catchpole** ⁽¹¹⁵⁸⁾ on the 2nd May 1854 and they had the following family :-

Emma ⁽¹¹⁶⁰⁾	b	20 th November 1858
Elizabeth ⁽¹¹⁶¹⁾	b	5 th May 1859
Maria ⁽¹¹⁶²⁾	b	1 st October 1864

It appears that Susan died in 1864, possibly because of the birth of Maria, and John married Hannah Gillings ⁽¹¹⁵⁹⁾ on the 6th June 1865. They lived in London where the children were brought up.

Hannah 1834 ⁽¹⁰⁹⁶⁾ No record.

Hannah 1835 ⁽⁴⁰⁸⁸⁾ No record.

Phoebe 1837 ⁽¹⁰⁹⁷⁾ moved to Lowestoft where she had a son :-

He retained the name of Fairhead, but no further details could be found.

Charles 1839 ⁽¹⁰⁹⁸⁾ joined the crew of a Fishing Smack at Great Yarmouth, and later moved to Scarborough where he joined the firm of Sayer & Holloway, the fish curers. There is no record of a marriage. He died in Scarborough.

James 1842 ⁽¹⁰⁹⁹⁾ moved from Ellingham to Burton-on-Trent where he worked for a Brewery company. He married Mary **Wright** ⁽¹¹⁶⁴⁾ in Burton and they had the following family :-

Charles ⁽⁶⁷⁷⁴⁾		
Charlotte ⁽⁶⁷⁷⁵⁾		
Frederick ⁽⁶⁷⁷⁷⁾

James (the father) was said to be very humorous and witty and his company was sought by his workmates. He often told the tale of when he was a lad being employed for scaring the birds from the cornfields at 1/- per week.

Henry 1845 ⁽¹¹⁰⁰⁾ married Mary ? ⁽¹¹⁶⁶⁾ and they had the following family :-

Charles Henry ⁽¹¹⁶⁷⁾	b	6 th August 1871

Frederick John ⁽⁶⁷⁹⁹⁾	b abt	1874	Burton on Trent, Staffordshire
Charlotte Maria ⁽⁶⁸⁰⁰⁾	b abt	1877	

George A. (6801) b abt 1879

Maria 1849 (1101) No record, probably died in infancy.

William 1849 (1102) married Maria **Thrower** (1168) in 1871 in the Loddon & Clavering District, Norfolk. Around about the 1930's, William was living in Cobham, Surrey and by this time Maria had died, at the age of 74 years. They had a large family of 13 children :-

Lucy Annie (4144)	b	6 th March 1872	bap	20/10/1872
Gertrude Elizabeth (4145)	b	9 th October 1874	bap	13/11/1874

Of these children, the first two were born & baptised at Beccles, Suffolk, Agnes to Alfred were born at Wrentham and the last two were born at Eye, Suffolk

George 1851 (1103) married Mary Ann ? (1169) and they had a son and a daughter :-

Phoebe (1170)	b	4 th April 1880
George Arthur (1171)	b	1883

Maria 1854 (1104) probably replaced Maria 1849.

Elizabeth 1826 (1106) At the time of the 1851 Census she was recorded as a Steam Silk Loom Weaver.

Robert 1831 (1107) At the time of the 1851 Census he was recorded as a Smith Journeyman.

Simon Peter 1834 (1108) At the time of the 1851 Census he was recorded as a Thatcher's Boy, but in common with many young men of that period joined the Fishing Fleet at Lowestoft. He married Hannah **Simmonds** (1172) of that town on the 19th May 1863. Hannah was the daughter of John **Simmonds** (4137), a labourer. Simon Peter's age was given as 28 and he was stated to be the son of Robert Farehead.

Eliza 1835 (4370) No record.

Harriet 1837 (1109) died on the 6th December 1841.

Eliza 1838 (1110) married Edward Kirby (5371).
